

A Letter for Parents... Childminder Progress Check at Age 2

Dear Parents

The Early Years Foundation Stage (EYFS) requires that parents and carers must be supplied with a short written summary of their child's development in the three prime learning and development areas of the EYFS when the child is aged between 24-36 months.

The aims of this check are to:

- Ensure that parents have a clear picture of their child's development.
- Enable Practitioners to understand the child's needs and plan activities to meet them in writing.
- Enable parents to understand the child's needs and, with support from practitioners, enhance development at home.
- Note areas where a child is progressing well and identify any areas where progress is less than expected.
- Describe actions the provider intends to take to address any developmental concerns (including working with other professionals where appropriate).

The three main areas are:

1. Personal, Social and Emotional Development
2. Physical Development
3. Communication and Language

I would like to work in partnership with you, as the child's parents, on deciding when would be the best time within the 24-36 month age bracket for this check to be carried out. If your child has only recently joined the setting and the check is due, I will only carry it out once I have had the chance to get to know your child well.

The check will be based upon the skills, knowledge, understanding and behaviour that your child demonstrates consistently and independently in my setting. Information included will arise from the ongoing observational assessments carried out as part of the everyday practice at the setting.

I will also take into account your views and any contributions you would like to make. It would be useful to arrange a meeting to discuss this at a time that is mutually convenient. The check will also take into account the views of any other professionals working with your child that I have your agreement to be in contact with.

All children have a right to be listened to and valued in the setting, and so your child will actively contribute to the process.

Once the progress check has been completed and you have received a copy, it would be useful to obtain your views on the process.

I hope you have found this letter informative and useful. If you would like any further information, please let me know.

Progress Check at Age Two- Report Form

Name: Jack		Date: 12/12/17		Age: 2 years 1 month													
A Child Learning Playing & Exploring Finding out and exploring; Playing with what they know; Being willing to 'have a go.' Active Learning Being involved and concentrating; Enjoying achieving what they set out to do; Keeping on trying. Creating and Thinking Critically Having their own ideas; Making links; Choosing ways to do things.			Personal, Social and Emotional Development Self-confidence and self-awareness; Making relationships; Managing feelings and behaviour Jack is a very sociable boy and loves to be around friends. Mum comments that at home, Jack can become quite clingy to one person that he has spent time with that day. Jack is very confident and will wave goodbye to Dad and separate confidently. Although Jack is very headstrong he will ask for help if needed. Jack loves to show his independence and thrives off praise, either by doing magic coats or putting his shoes on. Jack shows good understanding of "yes" and "no" and will accept these with no fuss.														
Jack loves to explore at Sunny Buttons, including all rooms and the garden. Jack will quite happily go off and play in any room and he is confident to seek out a variety of activities in those rooms. Jack loves all aspects of his day, but his main interests include messy play; where he shows no hesitation to join in, climbing on the equipment provided; the balls and most recently role play such as the dolls and hairdressing. Jack loves books and his favourites are "Going on a Bear Hunt" and "The Hungry Caterpillar". When listening to these stories being read, Jack will quite often say the words and do the actions. Jack will try all new activities and will tell you if he doesn't like something or no longer wants to play. Jack is strong willed and is a determined boy and will not stop trying to achieve a set goal.			Self-confidence & Self-awareness														
			<table border="1"> <tr> <td>0-11</td> <td>8-20</td> <td>16-26</td> <td>22-36</td> <td>30-50</td> <td>40-60+</td> </tr> </table>			0-11	8-20	16-26	22-36	30-50	40-60+						
			0-11	8-20	16-26	22-36	30-50	40-60+									
			Making Relationships														
<table border="1"> <tr> <td>0-11</td> <td>8-20</td> <td>16-26</td> <td>22-36</td> <td>30-50</td> <td>40-60+</td> </tr> </table>			0-11	8-20	16-26	22-36	30-50	40-60+									
0-11	8-20	16-26	22-36	30-50	40-60+												
Communication & Language Listening & Attention; Understanding; Speaking. Jack communicates confidently and will take me by the hand and point to items to request them if what he is trying to say cannot be identified. Jack also does this at home as Mum says that some words are quite hard to understand. Jack loves to sing and will join in as a group to sing and do actions. Jack's favourites are "Twinkle, Twinkle" and "Wind the bobbin up" which Jack will ask for using the correct words. Jack shows good understanding and will follow instructions that are being given to him. Jack uses a variety of everyday words and is starting to use more complex sentences i.e. "where's Daddy going today?" Jack will answer questions using "yes" and "no" and will confidently carry out tasks that are asked of him and will follow two step instructions.			Physical Development Moving & Handling; Health & Self-Care Jack is a very active boy and shows no fear at all when trying different things. Jack explores the outdoors, taking sensible risks and managing his own behaviour. He can build a large tower using the small and large blocks. Jack loves to explore the sand and water tray and will add different items to these. Jack likes to play with different textures and will welcome play dough and shaving foam playing happily. Jack is confident when running, walking and climbing stairs by himself. Jack confidently eats his dinner with a knife and fork and drinks from an open top cup with no spillage. Jack loves to go to the bathroom and wash his hands and does this confidently. Jack can put his own coat and shoes on. Jack can complete a simple inset jigsaw.
